Dear Parish Council Chair

RE: COVID-19 Support

I hope you and your families are well and staying safe.

As you may be aware, the South Ribble Together Community Hub is supporting people through the COVID-19 pandemic with services such as prescription collection, shopping deliveries, emergency food parcels and welfare calls.

We have a dedicated staff team who are working hard to ensure that no-one goes hungry or without medication in our Borough, and we are working closely with other agencies to ensure that support is ongoing to people who need it.

Our telephone helpline - 01772 625625 and e-mail covid19support@southribble.gov.uk are open and available to anyone who needs a little help in these testing times.

Please do not hesitate to pass on these details to anyone who you think may benefit.

If you have any queries at all, or would like to discuss community support in more detail, please get in touch via the e-mail address above.

Take care and stay safe

Yours sincerely

A Bylinski Gelder
