### Parking in Hutton Village Centre

Further to our report in the Autumn edition of Hutton News. A meeting took place on 27th September 2017. Councillor Keith Iddon who is responsible for highways in Lancashire, along with two LCC officers listened to concerns with regard to road safety raised by Hutton and South Ribble Councillors. Our major concern is inconsiderate parking which affects road safety in the Village centre. Following a very constructive meeting with the representatives of LCC HPC were advised that the Parish clerk would receive a report on their findings in approximately five weeks from the date of the meeting. Hutton News will keep you up to date in the Spring Edition.

In an attempt to encourage car drivers to use the Village car park and park Responsibly, HPC has ordered 3 new signs showing the location of the car park. Two of the signs will be located on either side of Liverpool Road at its junction with Moor Lane. The 3rd sign will be located at the entrance to the car park. It is expected that these signs will be erected before the end of the year. 200 flyers encouraging car drivers to park responsibly have been circulated and also displayed in Council notice boards.

If you could offer help from Spring 2018 onwards, either on a regular basis or as a reserve when required. This would take approximately half an hour of your time.

**Would you like to hire the Village Hall** for your next event, party, celebration, meeting etc? ### Sporting Success for Hutton Grammar School

Hutton Grammar School under 13s Cricket Team won a chance to compete in National Finals at Northampton County Ground. More than 1,000 teams had entered the competition to find the best cricketing state school with more than 10,000 school children getting involved.

Hutton beat Arnold Academy from Bedfordshire by eight runs in the semi-final before holding their nerve on the last ball in the final to beat St. Laurence School from Wiltshire by three runs. Former England cricketer James Taylor was in attendance cheering on the players as well as giving advice and support.

**This is just one of the many recent successes for Hutton Grammar School.**

### HUTTON SHOTOKAN KARATE CLUB NEWS

On Sunday 6th August the club was fortunate to play host to Sensei Andy Sherry 9th Dan Chief Instructor of the Karate Union of Great Britain, for the club's second grading of the year. Preceding Grading was an exciting and demanding training session with something for all grades, not just those hoping to be successful in attaining their next belt. Following a short break, the Grading began and we are very happy to say that all members were successful in passing to their next grade. Very well done to all who took part.

A special mention must go to our award winners of the day, Jessica Partington who was awarded Most Improved and Holly Rigby, who was awarded Best Grading..

The following week saw the start of the Karate Union of Great Britain Summer School at Lancashire University, a week-long residential course which a number of our members attended. A great learning experience with some of the best instructors in the Country. At the end of the week we had two junior members take their Grading for Black Belt, and we are extremely pleased to say that both Jessica Briffett (age 12) and Lewis Wooller age 10) were successful in passing 1st Dan. On the same day one of our seniors, Lee Dalton, also took his grading and was successful in grading to 2nd Dan Black Belt. All three of these were successful on their first attempts, which only approximately 40% of those taking grading are successful in doing.
