News of a debating society in Hutton . . .

ARE YOU FED UP OF HEARING ABOUT BREXIT!

Brexit, Brexit, Brexit, that is all we seem to hear about on the radio and television. However, there are other things in life than Brexit. There must be issues going on around us all that leave us angry, frustrated, concerned and fearfully aware of injustice etc.

If this is how it is with you and you want to voice your opinion or just let off steam or even hear what other people think; then why not come along to the South Ribble debating society where you can have your say in an informal atmosphere.

Even better, if you have a really brilliant idea but you have no one who will listen to you as their lives are governed by smartphones, tablets and the telly, come along and air any thoughts and ideas.

We held our last meeting in the Anchor pub in Hutton and it lasted for about 1.5 hours. The likely next meeting will be on Thursday 17th October at the same venue at 7.00pm.

Chances are you are reading this after that date. Please contact this newsletter by phone or e-mail and your details will be passed on to a member of the debating society.

VE Day Anniversary 2020

The May Day Holiday has been moved to a Friday in 2020. The date will be **Friday 8th May** as this is the 75th anniversary of VE Day, the day when fighting against Nazi Germany in Europe came to an end.

It is not possible to move the usual Hutton Fete to Friday as so much of the work involved takes place at the weekend.

Do any of the readers of this newsletter have any ideas on how Hutton can celebrate this important day? Possibly a party held in the Playing fields or the Hall depending on the weather. This could involve musical entertainment and some sort of food stalls. It could however be something completely different. This needs to be an afternoon event for the whole family. Whatever is decided, a lot of help will be needed to organise and set up the event. This is your chance to be involved in devising, organising and enjoying a true community event to celebrate the end of a significant part of WW2.

If you are interested, please contact this newsletter. Contact details are on the back page.

A nice warming soup recipe for the colder months

Ingredients: 1 large cauliflower broken into small florets. 3 large onions cut into wedges. Olive oil for roasting. 1 garlic bulb. 1 litre vegetable stock. 900g potatoes cut into equal chunks. 100g stilton plus extra to serve. 2 bay leaves. Handful of fresh parsley chopped. Crusty bread to serve.

Method:

1. Heat the oven to 200c/180c fan/gas 6. Put the cauliflower and onion wedges in a roasting tin. Drizzle over olive oil, toss to coat and season with salt and pepper. Loosely wrap the garlic bulb in foil, put in the tin with the veg and roast for 35 minutes, tossing to coat halfway through.
2. Meanwhile, put the stock in a pan with 1 litre water, bring to the boil, add the potatoes and bay leaves, then cook for 15-20 minutes until tender.
3. Unwrap the roasted garlic, halve horizontally, then squeeze the flesh from the cloves into the stock/potatoes. Add the onions and most of the cauliflower.
4. Remove the bay leaves, then pour the soup into a blender and whizz until smooth or use a stick blender. Pour the soup back into the pan, crumble the stilton and stir until melted. Taste and season with salt (you probably won't need any if you've used a stock cube) and pepper then serve scattered with the parsley, extra stilton and reserved cauliflower, with crusty bread.
